Professional Summary

Computer Science graduate specializing in Cybersecurity with a strong foundation in Visual Communication. Excel at the intersection of data frameworks and UX design, making complex security metrics highly intuitive and secure.

Core Skills

- **Security & Tech:** Data Governance, Threat Analysis, Incident Simulation, Log Parsing, SQL, Git
- **Development:** Python, JavaScript, PHP, Java, HTML/CSS, Apache Spark, Hadoop
- **Design & Tools:** UI/UX Design, Information Architecture, Adobe Illustrator, Photoshop, InDesign

Education

Bachelor of Computer Science (Cybersecurity) *Jan 2022 - Jun 2025*
University of Wollongong - SIMGE Singapore

Advanced Diploma in Visual Communication (Graphic Design) *Apr 2015 - Dec 2016*
First Media Design School (FMDS) Singapore

Projects

Sentry: Security Monitoring Dashboard (*Python, Flask, HTML, CSS, JavaScript*) *Jan 2026 - Mar 2026*

- Built a full-stack SOC-style monitoring interface with live log streaming, real-time anomaly detection, and threat severity visualization.
- Designed the UI around SOC analyst workflows — color-coded severity indicators, scannable event feeds, and at-a-glance KPI cards for fast decision-making.

Sentinel: Incident Investigation Simulator (*Python*) *Oct 2025 - Dec 2025*

- Built incident simulation engine generating realistic attack logs with automated correlation, IOC extraction, and MITRE ATT&CK technique mapping for hands-on investigation practice.
- Designed analysis tools around analyst workflows — timeline reconstruction, root cause analysis, and professional reports enabling production-grade incident response documentation.

Sia's "1000 Forms of Fear" Album Redesign (*Creative Execution*) *Jan 2016 - Mar 2016*

- Developed a cohesive visual identity for an experimental CD packaging overhaul and lyric book.
- Leveraged expressive typography and editorial layout systems to translate abstract concepts of fear.

Hoegaarden Packaging & Campaign Redesign (*Design Strategy*) *Apr 2016 - Jun 2016*

- Conceptualized the "Beer as Your New Coffee" campaign for a 0% alcohol product lineup.
- Designed a hybrid coffee-cup packaging system, custom takeaway holders, and branding assets.
- Applied geometric pattern layouts and distinct typographic logic to differentiate flavor profiles.

Experience & Leadership

Professional Studio Practice Intern | First Media Design School (FMDS) *Nov 2019 - Jan 2020*

- Conceptualized and designed structured corporate materials including prospectuses, brand profiles, and EDMs.
- Managed asset production across Adobe Suite while ensuring alignment with strict corporate visual standards.

Sub-Committee Member | SIM Board Game Society *Jul 2023 - Apr 2024*

- Coordinated large-scale community events and strategic engagement initiatives with cross-functional teams.

Other Skills

Languages: English (Fluent), Tagalog (Conversational), Mandarin (Basic)

Other Tools & Technologies: MongoDB, MySQL, HBase, Hive, Microsoft Word, Powerpoint, Excel

Interests: Skating, Skateboarding, Reading, Rock Climbing, Artificial General Intelligence
